INVITATION TO EXHIBIT

AEPMA is once again proud to host its annual conference - Pesticon and invites you to join the excitement at the Adelaide Convention Centre, Adelaide, 6-8 August 2025.

From attendance at previous events, we are anticipating approximately 300-400 delegates at Pesticon 2025. We look forward to welcoming your clients and prospects to Pesticon 2025 – “Adapt & Thrive: Navigating Change in Pest Management”. This year's theme emphasises the need for adaptability in the face of evolving challenges in the Pest Industry.

Pesticon enables pest control firms to build their businesses and better service their customer base. Sponsors and exhibitors will have the opportunity to take full advantage of highlighting their products and services at this special event.

All daytime meals and breaks will be served in the exhibition area to maximize delegate interaction with suppliers.

AEPMA is always encouraged and thankful for supplier support. If you are interested in exhibiting, simply complete the Exhibitor Application Form at the back of this publication and return, along with your payment to AEPMA.

If you would like further information, please contact:

THE VENUE

Located at the heart of Adelaide's iconic riverbank, with fantastic hotels and lively dining on its doorstep, Adelaide Convention Centre is one of the world's most modern, versatile and technologically advanced meeting and events venues.

The Centre is just 15-minutes' drive from Adelaide Airport, a short stroll or tram ride from more than 4,000 hotel rooms and directly connected to Adelaide's famous cultural, sporting and entertainment zones.

At Adelaide Convention Centre, we understand that exhibitions mean business. With a variety of highly versatile, pillarless and light-filled spaces, easy loading access, and a dedicated exhibitions planner to guide you through the process, we're equipped to effortlessly host vibrant trade and consumer exhibitions of all sizes.

When it comes to sustainability, Adelaide Convention Centre is the world's first convention centre to achieve EarthCheck's coveted Master certification, representing more than 15 years' best practice in business, environment and social sustainability, and works closely with clients to reduce their event footprint for a better tomorrow.
